astaire by numbers looks at every second of dancing fred astaire committed to film in

the studio era all six hours thirty four minutes and fifty seconds using a quantitative digital humanities approach as well as previously untapped production records author todd decker takes the reader onto the set and into the rehearsal halls and editing rooms where astaire created his seemingly perfect film dances watching closely in this way reveals how astaire used the technically sophisticated resources of the hollywood film making machine to craft a singular career in mass entertainment as a straight white man who danced decker dissects astaire s work at the level of the shot the cut and the dance step to reveal the aesthetic and practical choices that yielded astaire s dancing figure on screen he offers new insights into how astaire secured his masculinity and his heterosexuality along with a new understanding of astaire s whiteness which emerges in both the sheer extent of his work and the larger implications of his famous full figure framing of his dancing body astaire by numbers rethinks this towering straight white male figure from the ground up by digging deeply into questions of race gender and sexuality ultimately offering a complete re assessment of a twentieth century icon of american popular culture

this open access collection deals with musical moments in film as one of the most pivotal and compelling issues of current film music research musical moments as defined by amy herzog occur when a musical number inverts the normal relationship between the image track and the soundtrack in a film in such a way that what we see is determined by what we hear as one potential approach this definition provokes a variety of perspectives to investigate the disruptive potential of these moments and numbers as a creative device in the production of audiovisual narratives in this sense the book responds to a need for an anthology that introduces students as well as scholars of cinema musicology media studies and cultural studies more broadly to recent discourses in film music scholarship the volume includes contributions by early career researchers as well as by established experts in the fields of musicology film studies media studies and cultural studies promoting cross disciplinary collaboration in film music research

these volumes form a complete encyclopedia and history of music and musicians they comprise a library covering the whole field of musical literature the material has been written by more than forty of the greatest musicians critics and experts on musical subjects in this country and europe copyright 1914

now in its 62nd year theatre world provides a complete statistical and pictorial record of the broadway and off broadway theatre season each entry includes complete cast lists producers and directors authors and composers opening dates plot synopses and biographical information

after hollywood and tin pan alley's iron grip on the movie musical began to slip in the face of pop's cultural dominance many believed that the musical genre entered a terminal decline and finally wore itself out by the 1980s though the industrial model of the musical was disrupted by the emergence of pop the hollywood musical has not gone extinct many hollywood productions from the 1960s to the present have revisited the forms and conventions of the classic musical except instead of drawing from showtunes and jazz standards they employ the styles and iconography of pop alberto mira offers a new account of how pop music revolutionized the hollywood musical he shows that while the hollywood system ceased producing large scale traditional musicals different pop strains disco rock n roll doo wop glam and hip hop renewed the genre giving it a new life while the classical musical presented a world light on conflict defined by theatricality and where effortless talent can shine through the introduction of pop spurred musicals to address contemporary social and political conditions mira traces the emergence of a new set of themes such as the painful hard work depicted in dirty dancing 1987 the double edged fandom of velvet goldmine 1998 and the racial politics of dreamgirls 2006 to explore why the hollywood musical has found renewed relevance
