brilliant in its stark depiction of trench warfare in world war i this lost classic was privately printed in a limited edition in 1930 british censors initially suppressed the short novel because of its tough antiwar views and sympathetic portrayals of german soldiers and even today s readers may be unprepared for its scenes of horrific battlefield carnage and men driven to madness by relentless psychological stress providing a new view of an underappreciated canadian author the book also stands as a fascinating addition to the comparatively small shelf of literature by writers who fought in the great war

a unique collaboration that explores themes of love and family this collection features poems that are based on works of art placed alongside the very works that inspired them it includes paintings by natalka husar drawings monotypes and lithographs by claire weissman wilks and photographs by goran petkovsky

oates displays her amazing versatility with these emotionally charged powerful plays with contemporary themes greensleeves portrays a girl s grief after her friend dies of aids ballad of love canal shows the effects of toxic waste on one family feminism is the theme of i stand before you naked a collage play in which 12 different women expose their souls to the audience many of the plays deal with the difficulties of relationships in black a man his ex wife and her new black lover form a strange triangle in tone clusters the amplified voice actually becomes a character in the play the eclipse is dominated by a shadow falling across the stage many of the plays are experimental and surreal and are meant to be performed before an audience isbn 0 525 93376 x 19 95

written with the verve of the uninhibited artist but with a clarity of thought and expression more akin to the scientist or scholar these poems investigate the emotional and philosophical struggles of contemporary life often sparked by the horrors depicted in today's news the poems combine surrealist images with spare and lyrical language to grapple with an increasingly absurd world the most ambitious piece in the collection is a radical post 9/11 translation of the anglo saxon elegy the wanderer and other poems include don quixote you sure can take one helluva beating film version of my hatred never held a gun and the romantic impulse hits the schoolyard

ripe with love money and power the story of 35 year old rudolf set in a fast paced urban environment begs the question do we only think we exist rudolf and his wife work day and night hoping for a better life he is a philosophy graduate student and the manager of a car dealership he also keeps up a heart wrenching relationship with the chic wanda then there is nina who studies logic but is secretly a prostitute and alfred owner of a car leasing company seemingly upright but actually an embezzler each character conceals something be it in hungary or north america the craving for existential clarity remains strong

it was the fabulous summer of 1929 when the literary capital of north america moved to la rive gauche the left bank of the seine river in paris ernest hemingway was reading proofs of a farewell to arms and a few blocks away f scott fitzgerald was struggling with tender is the night as his first published book rose to fame in new york morley callaghan arrived in paris to share the felicities of literary life not just with his two friends hemingway and fitzgerald but also with fellow writers james joyce ford madox ford and robert mcAlmon amidst these tangled relations some friendships flourished while others failed this tragic and unforgettable story comes to vivid life in callaghan's lucid compassionate prose

this rich compilation of joyce carol oates's letters across four decades displays her warmth and generosity her droll and sometimes wicked sense of humor her phenomenal energy and most of all her mastery of the lost art of letter writing it's hard to think of another writer with as fecund and protean an imagination as the eighty five year old joyce carol oates who is surely on any short list of america's greatest living writers new york times magazine in this generous selection of joyce carol oates's letters to her biographer and friend greg johnson readers will discover a never before seen dimension of her phenomenal talent in 1975 when johnson was a graduate student he first wrote to oates already a world famous author and drew an appreciative empathetic response soon the two began a fairly intense largely epistolary friendship that would last until the present day as time passed letters became faxes and faxes became emails but the energy and vividness of oates's writing never abated her letters were often sprinkled with the names of well known public figures from john updike and toni morrison to steve martin and jacqueline kennedy onassis there are also descriptions of far flung travels she undertook with her first husband the scholar and editor raymond smith and with her second the distinguished princeton neuroscientist charlie gross but much of oates's prose centered on the pleasures of her home life including her pet cats and the wildlife outside her study window whereas her academic essays and book reviews are eloquent in a formal manner in these letters she is wholly relaxed even when she is serious in her concerns like johnson she was always engaged in work whether a long novel or a brief essay and the letters give a fascinating glimpse into oates's writing practice

joyce carol oates is often called america's most prolific living writer but it is perhaps her versatility that is most astounding just as she is a revered novelist playwright poet and critic the short stories gathered in her 21 published collections from by the north gate 1963 to haunted tales of the grotesque 1994 vary in theme and style although all evoke the bedrock natural and social reality that has consistently informed her fiction in this comprehensive survey of oates's stories greg johnson selects eight of her collections that he considers most representative of her work and among her most successful books he analyzes stories in which oates experiments with form genre allusion and gothicism and presents postmodern allegories of american life separate chapters are devoted to oates's early eden county stories in by the north gate and upon the sweeping flood 1966 her stories focused on female experience in the wheel of love 1970
